

Love is all (shine your light on me) - 1/1

Interprété par Roxette.

Love is all. Love is all around you. Love is there in your laughter
In your hair. Love flows everywhere. Love is old. Love is older than you
But the light shining through. Makes me see. Your love is all new.
Hey, Sha la la. Shine a light, Shine on me. Shine your light on me
Sha la la. Shine your light on me.
Love is all, Love will always be The Law and higher love radiates on us all, On us all.
