## Interprété par Cake.

cool blue reason empties on the page your colleagues are in prison and your enemies enraged cool blue reason comes into your world there's two more dead in texas and it's probably your girls cool blue reason wraps around your throat the minutes change like seasons only 8 more hours to go

cool blue reason comes into your life there's one more dead in kansas and it's probably your wife cool blue reason i'm just talking to myself cool blue reason i'm just rearranging hell i'm just talking to myself

cool blue reason wraps around your throat the minutes change likes seasons only 8 more hours to go
