

# Looking for satellites - 1/1

**Interprété par David Bowie.**

Nowhere - Shampoo  
T.V. - Come back  
Boys Own - Slim tie  
Showdown - Can't stop

Where do we go from here  
Something in the sky  
Shining in  
Spinning and far away

Satellites  
Satellites  
Satellites  
Looking for Satellites

Who do we look to now  
There's nothing in our eyes  
As lonely as a moon  
Misty and far away
