

## I am with name - 1/2

**Interprété par David Bowie.**

I was  
Ramona A. Stone  
I started with no enemies of my own  
I was an artiste  
In a tunnel  
But I've been having a mid-life crisis  
And I've been dreaming in a sleep  
And ape men with metal parts  
I've spat upon deeply felt age  
I've hid my hearts in  
And I hate your funny colored english  
We'll creep together you and I  
For I know who the small friends are

I am with name, I am with name,  
I am Ramona A Stone  
A night filled female  
Good timing drone  
I am with name  
I am with name sleepy now  
Your silhouette is so stationary  
You're released but your custody calls  
And I want to be free

I am with name, I am with name  
I am Ramona A Stone  
She could say twitch & stream  
It'll end in chrome  
Night of the female good time drone  
I am with name I am Ramona A Stone  
She should say: I am with name  
I am Ramona A Stone  
I am Ramona A Stone

A person who loses a name  
Feels anxiety descending

Left at the crossroads, between  
The centuries a millenium fetish  
I am with name, I am with name  
I am Ramona A Stone

I am with name, night fear female  
Good timing drone  
I am with name  
I am Ramona A Stone
