

# Miss America - 1/1

**Interprété par Blur.**

miss america sits in the shower  
she's plucking hours from the sky  
picks up the telephone into another home  
don't ask me why

i don't mind, i don't mind at all  
i love only you

she's a well wisher and she wishes you well  
wish away, wish away  
she's no jellybean, she's a jemima ho ho  
wish away. wish away

i don't mind, i don't mind at all  
i love only you

da do da da do

here is here and i am here  
where are you  
far away, far away  
she's no jellybean, she's a jemima ho ho  
wish away, wish away
