

## She's been good to me - 1/1

Interprété par Marc Anthony.

[Chorus:]

Girl I see how you're looking at me  
and I must say you're looking sexy  
but the truth is my baby has been good to me  
girl the way that you move's so tempting  
gotta say that I like what I see  
but the truth is my baby has been good to me

Friday, I saw you looking my way  
I know that you've been wanting me  
I can see it in the way you've been taunting me  
your eyes make it hard for me to walk away  
when the truth is I want to stay  
all I gotta say is girl there's just no way

[Repeat Chorus]

In my mind I've made love to you a thousand times  
but that is where I draw the line  
I could lose everything that it took so long to find  
let me be as clear as I could be  
though you do what you do to me  
I gotta tell you girl there's just no way

[Repeat Chorus]

She's been good to me  
she's the only one who ever really stood by me  
she believes in me  
she's the only one who ever took a chance on me  
so girl there's just no way

[Repeat Chorus]
