

Infidelity - 1/1

Interprété par Skunk Anansie.

Lost infidelity
We never said a word
So black and white you see
It's all the lies we've heard
In my mind nothing makes sense
I'm nothing you can't have
Cracked up to disagree
That's all we've ever had
You Only you Only you can't be the one
You Only you Only you can't be the one
Your secret smile so quaint
In memories fortold Laughing so viciously
Your concience has been sold
In my face there's no more joy
I'm all I should be
Cracked infidelity
Is all you are to me
We don't talk anymore We don't talk anymore
We don't talk anymore We don't talk anymore...
