

Raspberry swirl - 1/1

Interprété par Tori Amos.

I am not your senorita
I am not from your tribe
In the garden i did no crime
I am not your senorita
I am not from your tribe
If you want inside her well
Boy you better make her raspberry swirl
Things are getting desperate
When all the boys can't be men
Everybody knows
I'm her friend
Everybody knows
I'm her man
I am not your senorita
I don't aim so high
In my heart i did no crime
If you want inside her well
Boy you better make her raspberry swirl
