

Crucify - 1/2

Interprété par Tori Amos.

Every finger in the room
is pointing at me
I wanna spit in their faces
Then I get afraid of what that could bring
I got a bowling ball in my stomach
I got a desert in my mouth
Figures that my courage would choose to sell our now
I've been looking for a savior in these dirty streets
looking for a savior beneath these dirty sheets
I've been raising up my hands
Drive another nail in
Just what God needs
One more victim

Chorus:

Why do we Crucify ourselves Every day I crucify myself

Nothing I do is good enough for you Crucify myself

Every day

And my heart is sick of being in chains

Got a kick for a dog
Beggin' for Love
I gotta have my suffering
So that I can have my cross
I know a cat named Easter
He says will you ever learn
You're just an empty cage girl
If you kill the bird

I've been looking for a savior in these dirty streets looking for a savior beneath these dirty sheets

I've been raising up my hands

Drive another nail in

Got enough guilt to start

my own religion

Please be

Save me

I cry

Chorus:

Why do we

Crucify ourselves

Every day

I crucify myself

Crucify - 2/2

Nothing I do is good enough for you Crucify myself Every day And my heart is sick of being in chains
