

Boy you knock me out - 1/3

Interprété par Tatyana Ali.

Uh, uh, uh
Oh..oh
Oh..yeah
Baby

From the moment that I saw you, babe
All I think about is loving you
Every time that you are near
I just can't help but stare
I'm dreamin' of eternity with you, so maybe I can

Run away with you
Imagine all the things we'd do (Oh, babe)
Call my name
And make this fantasy for real (Baby, I can)

Run away with you
Imagine all the things we'd do
(Just call my name)
Call my name
And make this fantasy for real (Oh, no)

Can't hold it, I can't fight it
(Oh, oh, oh)
Want you and I can't deny it
It's all about the things you do
Boy, you knock me out (I can't hold it)

Can't hold it, I can't fight it (No)
Want you and I can't deny it
It's all about the things you do (Yeah)
Boy, you knock me out

Can you feel the vibes I'm sendin', baby
All my energy and thoughts towards you
There's now way I could let go
Of all these dreams and hopes
Anxieties so deep, feeling so new
Just maybe I can

Run away with youv Imagine all the things we'd do
(Just call my name)
Call my name
And make this fantasy for real
(Baby, can we)

Run away with you (Mmm)

Boy you knock me out - 2/3
