

# I Wanna Be With You - 1/1

**Interprété par Mandy Moore.**

I Wanna Be With You

I try but I can't seem to get myself to think of anything but you

Your breath on my face your warm, gentle kiss I taste the truth, I taste the truth

We know what I came here for

So I won't ask for more

[CHORUS]

I wanna be with you

If only for a night

To be the one who's in your arms to hold you tight

I wanna be with you

There's nothing more to say

There's nothing else I want more than to feel this way

I wanna be with you

So I'll hold you tonight like I would if you were mine to hold forevermore

And I'll savor each touch that I've wanted so much to feel before, to feel before

How beautiful it is

Just to be like this

[CHORUS]

Oh, baby

I can't fight this feeling anymore(anymore)

Drives me crazy when I try to

So call my name and take my hand

Can you make my wish, baby, your command(command)?

Yeah

[CHORUS]

Oh yeah

I wanna be with you

Wanna be with you, ooo, yeah

I wanna be, I wanna be

[Repeats]
