Hit the floor

there are just too many  
times that people  
have have tried to look inside of me  
wondering what I think of you  
and I protect you out of courtesy  
too many times that I've  
held on when I needed to push away  
afraid to say what was on my mind  
afraid to say what I need to say  
too many  
things that you've said about me  
when I'm not around  
you think having the upper hand  
means you've got to keep putting me down  
but I've had too many stand-offs with you  
it's about as much as I can stand  
just wait until the upper hand  
is mine  
so many people like me  
put so much trust in all your lies  
so concerned with what you think  
to just say what we feel inside  
so many people like me  
walk on eggshells all day long  
all I know is that all I want  
is to feel like I'm not stepped on  
there are so many things you say  
that make me feel like you've crossed the line  
what goes up will surely fall  
and I'm counting down the time  
cause I've had so many stand-offs with you  
it's about as much as I can stand  
so I'm waiting until the upper hand  
is mine  
one minute you're on top  
the next you're not  
watch it drop  
making your heart stop  
just before you hit the floor  
one minute you're on top  
the next you're not  
missed your shot  
making your heart stop  
you think you won  
and then it's all gone

## Hit The Floor - 2/2

I know I'll never trust a single thing you say  
you knew your lies would divide us  
but you lied anyway  
and all the lies have got you floating  
up above us all  
but what goes up has got to fall
