

# Aquarius - 1/1

## Interprété par Aqua.

Aquarius - was born the night  
The shining stars - needed brighter shining light  
Aquarius - was my savior  
It came along - like a blast from out of sight

When I was weak - you came along  
Enlightened me - covered the sun  
You seduced me - I can never ever run

Cause I - can only lose - when I'm - Aquarius  
You're the power that I need - to make it all succeed - can hear me call

Aquarius - is the stardust  
It kills the faith and the only one I trust  
It calls your name - and you listen - it steals your soul - and your hunger  
and your lust

For life - and being free  
Its dragging you - its killing me  
You seduced me I can never ever run

Cause I - can only lose - when I'm - Aquarius  
Your the power that I need - to make it all succeed

Can you hear that I (will loose) and no regret (when you can choose)  
Cause I'm Aquarius  
You're the power that I need  
To make it all succeed - can you hear me call

I wish the stars would turn you in and leave me standing in the wind  
I wish the devil gave you up - and all the snow would melt and stop

This is it - I cant run away you're controlling my life  
And I can hear me say

I - can only lose - when I'm Aquarius  
Your the power that I need - to make it all succeed

I wish the stars would turn you in and leave me standing in the wind  
I wish the devil gave you up - and all the snow would melt and stop
