

## Bumble Bees - 1/2

**Interprété par Aqua.**

I know I'm not the only flower you see  
But what can I do you are a good looking bee  
Wham bam thank you mam

Bumble bee bump into me  
I am in for pollination  
Bumble beetake what you see I'm in need for your donation  
I cant wait for your invasion

Be my love  
Cause I'm single flower feeling free  
Blooming now take me honey - be my favorite bee

Hey Rose I'm ready again  
I've got my radar tuned in on you baby - I'm all  
set and ready to land  
I'm the bum here I come getting ready for a wam bam

Bumble bee bump into me  
I am in for pollination  
Bumble bee take what you see  
I'm in need for your donation  
You don't need no invitation

Wham bam thank you mam  
Wham bam thank you mam  
I'm a true believer that goes for what I see  
And one little flower is not enough for a bee like me

All I know is you're my honey and I cant say no  
Just a little bit shy and so excited when I see you fly

Hey Rose I'm ready again I've got my radar tuned in on you baby  
I'm all set and ready to land  
I'm the bum here I come getting ready for a wam bam

Bumble bee bump into me  
I am in for pollination  
Bumble bee take what you see  
I'm in need for your donation - You don't need no invitation

Wham bam thank you mam  
Wham bam thank you mam  
I'm a true believer that goes for what I see  
And one little flower is not enough for a bee like me

I know I'm not the only flower you see

## Bumble Bees - 2/2

But what can I do you are a good looking bee  
Honey it's a job it's a dream come true  
You're my favorite flower when I'm intimate with you

Wham bam thank you mam  
Wham bam thank you mam  
I'm a true believer, that goes for what I see  
And you my flower, is not enough for me  
You got to be faithful it's not fair for a bee  
You got to be faithful  
It's not fair for a bee like me
