

Good Guys - 1/1

Interprété par Aqua.

You dream a dream but you never wake up
You're so afraid that the dream is over

Open your eyes and you'll see you will see
Daydreaming won't conquer me no it won't conquer me

Cause only the good guys can get - what they're coming for
And all of the dreamers must take what's apart
Only the good guys receive what they came here for
And all you dreamers - will leave with a broken heart

Reality you better face it
Your blood is red one bite - you'll taste it

Open your eyes and you'll see you will see
Daydreaming won't conquer me no it won't conquer me

Only the good guys can get what they're coming for
All of the dreamers must take what's apart
Only the good guys receive what they came here for
And all you dreamers will leave with a broken heart
