Feelings Nothing more than feelings Trying to forget my Feelings of hate

Imagine
Beating on your face
Trying to forget my
Feelings of hate

Feelings
For all my life i'll feel it
I wish I'd never met you
You'll make me sick again

Feelings, oh oh feelings Of hate on my mind

Feelings like I never liked you Feelings like I want to kill you Live in my heart

Feelings Feelings like I wanna deck you Feelings like I've gotta get you Out of my life

Feelings, oh oh feelings The hate's in my eyes

Feelings, oh oh feelings You're not very nice
