

Take Me Tonight - 1/2

Interprété par Alexander.

Oh baby..

When I look into your eyes feels good to me

And it feels like paradise, like fantasy

Babe you're my angel

my guardian angel

Oh memories

I feel it in my heart I feel it in my soul

we'll never ever fall apart, don't let me go

Babe you're my angel

And you know that time will show

Take me tonight

anything is possible

Time's on my side

The world is beautiful

I'll take my chance

My dreams are coming true

Tell me you're mine

Oh babe don't make me blue

And I know for sure

I will never let you go

Oh baby

If we can't be lovers let me be your friend

Take me in your lonely arms, don't let it end

Babe you're my angel

My guardian angel

I'll be there

If you ever miss me darling,

I'll take care

You're always in my heart

oh baby I swear

Baby you're my angel

oh if you need me I'll be there

2x :

Take me tonight

anything is possible

Time's on my side

The world is beautiful

I'll take my chance

My dreams are coming true

tell me your mind

Oh babe don't make me blue

And i know for sure

Take Me Tonight - 2/2

I will never let you go
