

This Is How We Do It - 1/2

Interprété par Mis-teeq.

To all my ladies I know you feel the flava

It's the Mis-Teeq Flava

UK

This is how we do it in the UK front

This is how we do it

It's the Mis-Teeq flava

This is how we do it

This is how we do it

It's friday night and I feel alright

The party's here on the westside

So I reach for my 40 and I turn it up

Designated driver take the keys to my truck

Hit the scores 'cause I'm faded

Guys in the street say "girls, yo we made it!"

It feels so good in my hood tonight

The summertime skirts and the guys in Kani

You gotta get your groove on before you go get paid

So tip up your cup and throw your hands up

And let me hear the party say

Chorus 1:

I'm kinda buzzed and it's because

This is how we do it

The UK does it like nobody does

This is how we do it

All my neighbours you got much flava

This is how we do it

Let's flip the track, bring the old school back

This is how we do it

This is how we do it

All hands are in the air

And wave them from here to there

If you're an OG, mack or a wannabe playa

You see the hood's been good to me

Ever since I was a lower case G

But now I'm a big G

The guys see I got the money

Million dollar bills, y'all

If you were from where I'm from

Then you would know

That I gotta get mine in a big black truck

You can get yours in a '64

Whatever it is, the party's underway

So tip up your cup and throw your hands up

This Is How We Do It - 2/2

And let me hear the party say

Chorus 1

Chorus 2:

I'm buzzing because

This is how we do it

The UK does it like nobody does

This is how we do it

N O in D O A

This how we do it

I'll never come wack on an old school track

This is how we do it

Check it out

Once upon a time in '94

MIs-Teeq made no money and life sure was slow

All they said was: "6'8" he stood"

And people thought

The music that he made was good

There lived a DJ and paul was his name

He came up to me this is what he said:

"You and OG are gonna make some cash

Sell a million records and we'll make in a dash"

Chorus 1

Chorus 2

Got the flava

To all my ladies I know you feel the flava

UK

Mis-Teeq got the flava

This is how we do it

Let's flip the track, bring the old schoolback

This is how we do it
