

One Last Song - 1/2

Interprété par A1.

Take my hand
Touch my face
Let me feel your embrace
Let me see
In your eyes
That you won't say goodbye
Just tell me how you feel
I don't know what you're thinking
Anymore 'coz...

If you need me
You'd kiss me
And if you want me
You'd show me
That your love is for real
And if you love me
You'd hold me in your arms where I belong
So while I'm feelin strong
I'll sing you one last song

Let me ask
Time has passed
Do you feel this could last?
If you don't
Why then stay
Take your wings fly away
I love you way to much
To wanna be the one who brings you down

If you need me
You'd kiss me
And if you want me
You'd show me
That your love is for real
And if you love me
You'd hold me in your arms where I belong
So while I'm feelin strong
I'll sing you one last song

One last song I sing for you
Like I always did
This time it's for real
I'll never come to you like this
Expecting you'll return my kiss

If you need me
You'd kiss me

One Last Song - 2/2

And if you want me
You'd show me
That your love is for real
And if you love me
You'd hold me in your arms where I belong
So while I'm feelin strong
I'll sing you one last song
