

Tragedy - 1/1

Interprété par Marc Anthony.

time after time you turned from what i thought was good and leave me behind you should have loved me like i
knew that you could

but oh no this won't be no hard good bye, no oh you can't hurt me this time

she doesn't love me no my lord , it doesn't mean it's a tragedy, tragedy, she doesn't mean it, say that she don't
this doesn't hav to be a tragedy, tragedy, oh no this doesn't hav to be a trgedy

all of my life, i was searching for the love that we had, without knowing why you turned around and trear me
so bad

but oh no, i just hold my tears inside oh no maybe you'll find another lover who will cry

she doesn't love me no my lord , it doesn't mean it's a tragedy, tragedy, she doesn't mean it, say that she don't
this doesn't hav to be a tragedy, tragedy, oh no this doesn't hav to be a trgedy

on the phone for hours but we had very little conversation, we spoke of words with no meaning we spoke of
love with no end i tell myself again

she doesn't love me no my lord , it doesn't mean it's a tragedy, tragedy, she doesn't mean it, say that she don't
this doesn't hav to be a tragedy, tragedy, oh no this doesn't hav to be a trgedy

she doesn't love me no my lord , it doesn't mean it's a tragedy, tragedy, she doesn't mean it, say that she don't
this doesn't hav to be a tragedy, tragedy, oh no this doesn't hav to be a trgedy
