

Lonely Road Of Faith - 1/1

Interprété par Kid Rock.

Up and down that lonely road of faith
I have been there
I'm prepared for the storms and the tides that rise
I've realized one thing, how much I love you
And it hurts to see to see you crying
I believe we can make it through the winds of change,
change

Wooooo hoooooo
Wooooo hoooooo

God is great indeed if you believe
In the ever, yeah we gotta make some sense of the pieces
that we found
Oh no, oh no
And if you just hold on, I won't let you fall
I won't let you fall, no
We can make it through the storms and the winds of change,
change, change, change, change

Wooooo hoooooo
Wooooo hoooooo

Though I walk through the valley of darkness
I am not afraid cause I know I'm not alone
And if the wind blows East
Would you follow me
And if the wind blows North
Would you stay your course
And if the wind blows West
Would you second guess
And if it blows to the South
Would you count me out
And if the sun don't shine
Would you still be mine
And if the sky turns gray
Would you walk away
Would you say I do if I say I'll be the walk this road
through life with me
You know I love you

Wooooo hoooooo
Wooooo hoooooo

On this lonely road of faith
