

## Black Coffee - 1/3

Interprété par All Saints.

Night Swimming  
Beach walking  
Always silent  
Never talking  
Then you call my name  
And I know inside I love you

Sail away  
I miss you more  
Until you see the shore  
There I will be waiting  
Anticipating

Each moment is new  
Freeze the moment  
Each moment is cool  
Freeze the moment

I wouldnt wanna be  
Anywhere else but... here  
I wouldnt wanna change  
Anything at all  
(Anything oh I..)

I wouldnt wanna take  
Everything out on... you  
Though I know I do  
(Although I know I do)  
Everytime I fall

Day dreaming  
Chain smoking  
Always laughin  
Always jokin  
I remain the same  
Did I tell you that I love you

Brush your teeth  
And pour a cup of black coffee out  
I love to watch you do that every day  
The little things that you do

Each moment is new  
Freeze the moment  
Each moment is cool  
Freeze the moment

## Black Coffee - 2/3
