

Get Over It - 1/1

Interprété par Avril Lavigne.

Im sleepin down the slide , I did enjoy the ride
Dont know it to the side, You lied to me
You look me in the eye , You took me by surprise
All you gratified You cry to me
la la la la la

Dont turn around, Im sick and Im tired of your face
Dont make this words , you've already gone and got me mad
It's too bad I'm not sad Its just past and oh
Its just one of those things
you'll have to get over it

When I was feeling down , You started hanging round
And I thought youre hands are over me
And that was other bounce, You felt me right it hand
It's better than a sent , You leave me
la la la la la

Dont turn around, Im sick and Im tired of your face
Dont make this words , you've already gone and got me mad
It's too bad I'm not sad Its just past and oh
Its just one of those things
you'll have to get over it

Yeah yeah , You gotta get over
Heyeah , You got get over it
It's too bad I'm not sad Its just past and oh
Its just one of those things
you'll have to get over it

OH

Dont turn around, Im sick and Im tired of your face
Dont make this words , you've already gone and got me mad (x2)

It's too bad I'm not sad Its just past and oh
Its just one of those things
you'll have to get over it

You'll have to get over it ...
