

November Rain - 1/2

Interprété par Guns N' Roses.

When I look into your eyes
I can see a love restrained
But darlin' when I hold you
Don't you know I feel the same

'Cause nothin' last forever
And we both know hearts can change
And it's hard to hold the candle
In the cold november rain

We've been through this such a long long time
Just tryin' to kill the pain

But lovers always come and lovers always go
And no one really sure who's lettin' go today
Walking away

If we could take the time to lay it one the line
I could rest my head
Just knowin' that you were mine
All mine

So if you want to love me
Then darlin' don't refrain
Or I'll just end up walkin'
In the cold november rain

Do you need some time... On your own
Do you need some time... All alone
Everybody needs some time... On their own
Don't you know you need some time... All alone

I know it's hard to keep an open heart
When even friends seem out to harm you
But if you could heal a broken heart
Wouldn't time be out to charm you

Sometimes I need sometimes... On my own
Sometimes I need sometimes... All alone
Everybody needs some time... On their own
Don't you know you need some time... All alone

And when your fears subside
And shadows still remain
I know that you can love me
When there's no one left to blame
So nevermind the darkness

November Rain - 2/2

We still can find a way
'Cause nothin' lasts forever
Even cold november rain

Don't ya think that you need somebody
Don't ya think that you need someone
Everybody needs somebody
You're not the only one
You're not the only one
