

# Shock - 1/1

**Interprété par S Club 7.**

Welcome to my world  
Headfirst to the Earth  
With my sights on the goddamned kill switch  
I've become a fuse  
Charged with attitude  
Fixed and dialated by my anger  
I have become a direct  
I have become a current  
I have become a direct  
I have become insurgent  
I will be the power surge  
Shock to the system  
Electrified, amplified  
Shock to the system  
Alternate to the wires  
Heat my core desire  
I will not stand for condemnation  
I've become the volts  
To lead the revolt  
Fuck with me ensues danger  
I have become a direct  
I have become a current  
I have become a direct  
I have become insurgent  
I will be the power surge  
Shock to the system  
Electrified, amplified  
Shock to the system  
I am the power surge  
I am the insurgent  
Electrified, amplified  
Electrified, amplified  
Shock!
