

Surrender - 1/2

Interprété par Laura Pausini.

I can't pretend anymore
That I am not affected, I'm not moved
I can't lie to myself that I'm not always thinking of you
You make me strong
You show me I'm not weak to fall in love
When I thought I'd never need now I can't get enough

I always made it on my own
I always thought that I would keep control
You changed everything I believe in
And now I just can't fight this feeling baby

Chorus:

I raise my hands and I surrender
'Cause your love is too strong and I can't go on
Without your tender arms around me
I raise my hands and I surrender
I don't wanna resist 'cause your touch and your kiss
Have shattered my defenses
I surrender

I have to admit that I
Never thought I'd need someone this way
Cause You opened my eyes so that I I can see so much more
I always made it on my own
I always thought that I would keep control
You changed everything I believe in
And now I just can't fight this feeling baby

Chorus

I surrender to this feeling in my heart
I surrender to the safety of your arms
To the touch of your lips
To the taste of your kisses

I raise my hands and I surrender
'Cause your love is too strong and I can't go on
Without your tender arms around me

I raise my hands and I surrender
'Cause your love is too strong and I can't go on
Without you

I surrender
I raise my hands and I surrender
'Cause your love is too strong and I can't go on

Surrender - 2/2

Without your tender arms around me

I surrender

I can't pretend anymore

I can't lie to myself that I'm not always thinking of you
