

Hellbound - 1/1

Interprété par Pantera.

Eliminate, the life decline...

I've paid the masters with blood and hunger

...And it's not for sale by any stretch.

It's like religion without a Bible

And the Dragon lives inside my mouth

And it speaks in tongues, the word...

Hellbound - in Ft. Worth, Texas

Hellbound - Ft. Worth

Snakes, in Southern flames

To bring the thunder; the great decider

Would you believe in this or the ash?

I do believe it and it's taking over...

Accept

Born to a world so young and proud

But over your head hangs a black cloud

Grow your hair and crawl inside yourself

Because there you cannot hide

Facing fears that you'll overcome and one

Of these years you know you've won
