

She loves me not - 1/1

Interprété par Faith no more.

I'm here alone on the telephone line I'm right where you want me to be And I'll wait alone and never ask why I'll be where you want me to be

And I know...

I've been here before and I know your kind You're right where I want you to be Now I'll say what I think I'll never be what you want me to be (Just to be who I am) What do you want me to be?

You'll be on your knees

Tell me Tell me it's not true
