Return to Hangar - 1/1

Interprété par Megadeath.

Welcome to an empty fortress
 A mighty wreck that once was proud
 Ate alive by oxidation
 Abandoned by a crew of cowards
 Navigation systems failed
 Computers crashed and they all fall down

Possibly I've seen too much
Hangar 18 I know too much

[Solo - Pitrelli]

All the guilty paid the price
Suspended by their broken necks
No one survived to tell the story
When foreign life forms resurrect
And military intelligence is
Still two words that can't make sense

Possibly I've seen too much
Hangar 18 I know too much
