

## I Heard You - 1/2

**Interprété par Good Charlotte.**

Today I screwed up again,  
You said I could tell in  
The way you said goodbye,  
I saw you sitting at your  
T-shirt stand with  
Your new boyfriend  
He's really cool,  
I get the point

I don't want you  
I don't want you,  
I heard you  
I heard you,  
I heard you say  
Not a chance,  
What don't you see,  
I don't want you  
I don't want you,  
I heard you  
I heard you  
I heard you say  
You're not good  
Enough for me

Today I screwed up again,  
I wasn't paying attention,  
I walked into the wall again,  
I heard you laugh  
And saw you grin,  
While you were sitting  
At your t-shirt stand,  
With all your cool friends  
They're really cool  
I get the point

I don't want you  
I don't want you,  
I heard you  
I heard you,  
I heard you say  
Not a chance,  
What don't you see,  
I don't want you  
I don't want you,  
I heard you  
I heard you  
I heard you say

## I Heard You - 2/2

You're not good  
Enough for me

Today I'll give it one last try,  
And then I know I'll wonder why,  
I did it to myself once again,  
I saw your boyfriend he's 6' 3  
Quarterback on varsity  
The football players  
Love to torture me,  
So I'm feeling like  
I'm not fitting in,  
I know that I'm not  
Fitting in with you,  
And your stuck-up friends  
I get the point
