

## Waldorf Worldwide - 1/2

Interprété par Good Charlotte.

Everything's gonna be all right now  
Everything's gonna be all right  
Get down stay up all night now  
Let's do this one more time  
Everything'll be all right  
Everything will be  
All right, all right

Listen up 'cause there Ain't nothin' funny  
I wanna hot girl and A little bit of money  
I wanna little house Where my band can live  
'Cause we're tired of movin' Every other weekend  
I wanna go to parties Where they got no guns  
I wanna rock with my band  
I wanna have a little fun  
Where thugs and punks And another other type  
Can sing this song and Up sing it all night

Everything's gonna be all right now  
Everything's gonna be all right  
Get down stay up all night now  
Let's do this one more time  
Everything'll be all right  
Everything will be  
All right, all right

All I wanna do is kick the welfare  
All I wanna do is get my share  
And I don't wanna run For the President  
I just want an honest Way to pay my rent  
And I'm tired of the man Always shuttin' us down  
Tired of my old man 'cause He's never around  
And I'm tired of eating off Of other people's plates  
And I don't look important so They're tellin' me to wait  
Police records said They wouldn't exist  
I wanna know the Meaning of a Christmas list

Said all I wanna do  
Is kick the welfare  
All I wanna do is get my share  
All I wanna do is make  
Somethin' from nothin'  
It's GC baby and we're  
Workin' with somethin'

We'll be self-made millionaires  
These lives we'll lead without a care

## Waldorf Worldwide - 2/2

Oh yeah

And we'll see what we'll be

Everything's gonna be all right now

Everybody say ah yeah that's right

Everything's gonna be all right now

Everybody say it one more time

Everything will be

All right, all right

We'll see you when we get there

We'll see you when we get there

On the video

Or the radio

In the magazines

On the movie screens
