Interprété par Bob Marley.

Wake up and turn I loose
 Wake up and turn I loose
 For the rain is falling

 Got to have kaya now, got to have kaya now
 Got to have kaya now, for the rain is falling

 I feel so high, I even touch the sky
 Above the falling rain
 I feel so good in my neighborhood
 So here I come again

 I got to have kaya now, got to have kaya now
 I got to have kaya now, for the rain is falling

 I feel so high, I even touch the sky
 Above the falling rain
 I feel so good in my neighborhood
 So here I come again

 I got to have kaya now, got to have kaya now
 I got to have kaya now, for the rain is falling

 Get up and turn I loose
 Wake up and turn I loose
 Wake up and turn I loose for the rain is falling
 Well kayaman, kaya, kaya
