

In Love And Lonely - 1/2

Interprété par Him.

In love and lonely

In love and lonely

In love and lonely

I'm not with you my baby

Just to see you cry

I'm in love with you

Not the tears in your eyes

I can't remember

The last time we smiled

Oh i know how it feels

I know what it's like

To be

In love and lonely

In love and lonely

Don't know what to do my baby

It's not alright

This can't be the end

The time to say goodbye

No i won't walk away that easy

After all this time

Oh you know how it feels

You know what it's like

To be

In love and lonely

In love and lonely

Oh you know how it feels

You know what it's like

You know how it is

But you just can't stop

To be

In love and lonely

In love and lonely

In love and lonely

In love and lonely

Oh you know how it feels

You know what it's like

You know how it is

In Love And Lonely - 2/2

But you just can't stop trying

In love and lonely

In love and lonely

In love and lonely

In love and lonely

In love and lonely

In love and lonely

In love and lonely

In love and lonely

That's right

Oh
