

Some Might Say - 1/1

Interprété par Oasis.

Some might say that sunshine follows thunder Go and tell it to the man who cannot shine Some might say that we should never ponder On our thoughts today cos they will sway over time

Some might say we will find a brighter day Some might say we will find a brighter day

Cos I've been standing at the station
In need of education in the rain
You made no preparation for my reputation once again
The sink is full of fishes
Cos she's got dirty dishes on the brain
It was overflowing gently but it's all elementary my friend

Some might say they don't believe in heaven Go and tell it to the man who lives in hell Some might say you get what you've been given If you don't get yours I won't get mine as well

Some might say we will find a brighter day Some might say we will find a brighter day

Cos I've been standing at the station In need of education in the rain You made no preparation for my reputation once again The sink is full of fishes Cos she's got dirty dishes on the brain It was overflowing gently but it's all elementary my friend
