

Complicated - 1/1

Interprété par Good Charlotte.

And we've been here for so many years
Still it seems as if you're not there (are you there?)
Everytime I talk, you turn away (do you care?)
Isn't dad an obligation to care?
And we've been here, for so many years
So many years still it seems...so complicated (yeah)
Overrated (alright)
Complicated...well this feeling is love
Well I came in the door, yeah I said it before
I never let the stress get me down no more
Giving thanks to the Lord you know I pray everyday
Giving shots to my peeps, and this is what we said
Chorus
You left us one little room with a black and white TV
One eviction notice and a bill for therapy
You're living all alone you're like a dog without a bone
You're living all alone because you left us all at home
Well you had a second chance but you threw it all away
A fourth and fifth and sixth, but that was yesterday
Now you're sitting at a bar just drowning in your tears
Lonely in the corner while everybody cheers
Chorus
Six dollars in your pocket one's a secret stash,
Three's for alcohol and two's for cigarettes
