

Umbelievable - 1/2

Interprété par Sarah Connor.

Refrain:

So tonight I'm gonna get him
Got a rendez vous at seven
Faire l'amour toujours so funny
Wanna spend all of this money
Should I wear a dress and high heels
Should I go out in my blue jeans
He's the boy I met in my dreams
And I tell you girls
He's unbelievable

Sisters only sometimes
You can meet the kind of boy
Who will always give you joy
Then grab him never lethem
Take deep into your world
Be aware of other girls
He's unbelievable
Finally it is me see me happy
Today I have found him
He's the boy of my dremms
And he's unebelievable

Refrain...

Brothers only mothers
Have the right to decide
What is wrong or what is right
But you maybe find a baby
Who is not the kind of girl
To fit in your mother's world
He's unbelievable
Ain't a doubt shout it out that you love her
Only such a tough guy
Could become my only one
Cause he's unbelievable

Refrain...

Sharp dressed you may fac your rendez vous
Depressed if he's not good looking too
Maybe he's a lazy kind of lad
Don't forget he could turn into a prince in bed
Be sure that he's standing by your side
Cowards are a waste of time
Get it on if he's alwayson your mind

Umbelievable - 2/2

But avoid being love blind
Look out for his sensitivity
Check out if he kwons just what it means
To give everything that a lady needs
To prove that his love is pretty real
Some guys only show their sex appeal
And who knows why the lord had made'em
If you think he's the guy fall in love
If he's not keep your hand off

Refrain...

Supernatural things will happen
I can call you at eleven
I wil tell you every detail
If he's worth it or if he failed
But I know he drives me crazy
And I want to have his baby
So you must excuse me ladys
Did I tell you that
He's unbelievable
