

## Brian. - 1/1

**Interprété par Christina Aguilera.**

I remember all my life  
raining down as cold as ice  
shadows of man,  
a face through a window  
cryin' in the night,  
the night goes in

To morning just another day  
happy people pass my way  
looking in their eyes,  
I see a memory,  
I never realized  
how happy you make me

Oh Brian, well you came  
and you gave without taking  
but I send you away  
Oh Brian, well you kissed me  
and stopped me from shaking  
and I need you today Oh Brian

Standing on the edge of time  
I've walked away  
when love was mine  
Caught up in a world  
of uphill climbing  
tears are in my eyes  
and nothing is rhyming

Oh Brian...

Yesterday's a dream  
I face the morning  
Cryin' on a breeze  
the pain is calling

Oh Brian...
