Congratulations

Congratulations

Well done, my friend,

You've done it again,

You've gone and broken another heart

Yeah, you've torn it apart

You've done it before

Hope to do it some more,

You've got it down to a fine art

Remember the first time

You tried to do it to me

My girl won't fall

Just wait and see

Just wait and see

Congratulations

Congratulations

You've gone and broken another heart

Yeah, you've torn it apart
