

# Body Crumbles - 1/1

**Interprété par La Reine Des Damnées.**

finally recover and the mood is right  
looking up into a neon sky  
child in me takes over, guess it's been too long  
since the last time that i tried to fly

(chorus)

finally i find when i lose control  
inside my body crumbles  
it's like therapy for my broken soul  
inside my body crumbles

all i need's a moment, chance to get away  
from the stressfulness of every day  
know if i don't question and i never doubt  
everything is gonna be okay

(chorus)

i don't know if i'll be alright  
is it okay to be myself  
why do we always have to fight  
now i know it's alright

(chorus)
