

Ego Brain - 1/1

Interprété par System Of A Down.

Life is but a dream,
Drifting on a stream, a stream,
Consciously it seems,
All of what remains,
Ego Brain,
And they shame,
Shame, love after it rains,
You see my pain is real,
Watch my world dissolve,
And pretend that none of us see the Fall,
As I turn to sand,
You took me by the hand,
And declared, that love prevails over all.
I am just a man,
Fighting other men,
For land, for land,
While I turn to sand,
In Spite of the pain,
Ego Brain,
And they shame,
Shame, love after it rains,
You see my pain is real,
Watch my world dissolve,
And pretend that none of us see the Fall,
As I turn to sand,
You took me by the hand,
And declared, that love prevails over all.
All of what remains,
Ego Brain,
And they shame,
Shame, love after it rains,
You see my pain is real,
Watch my world dissolve,
And pretend that none of us see the Fall,
As I turn to sand,
You took me by the hand,
And declared, that love prevails over all.
