

Clown - 1/1

CLOWN

Anger inside builds within my body
Why'd you hit me? What have I done?
You tried to hit me

Refrain:

Try and hit me again, if you like
Throw your hate at me with all your might
Hit me 'cause I'm strange, hit me
Tell me I'm a pussy and you're harder then me
What's with you boy? Think hard
A tatoored body to hide who you are
Scared to be honest, be yourself
A cowardly man

I don't run around
trying to be what's not within me
Look into my eyes, I am free
You're just a wanna-be

Refrain

To come out

Hit me clown, because I'm not from your town, now hit me clown

Clown you ain't shit. Turn around and get your face split.

I'm just too fucking little x 3
I'm just a fucking mental x 4
