

Never Had A Dream Come True - 1/1

Interprété par S Club 7.

Everybody's got something
They had to leave behind
One regret from yesterday
That just seems to grow with time
There's no use looking back,oh wondering
How it could been,now oh might've been
All this I know
But,still I can't find ways to let you go

Chorus:

I never had a dream come true
'till the day that I found you
Eventhough I pretend that I moved on
You'll always be my baby
I never found the words to say
You're the one I think about each day
And I know no matter where life takes me to
A part of me will always be with you

Somewhere in my memory
I've lost all sense of time
And tomorrow can never be
Cause yesterday is all that fills my mind
There's no use looking back,oh wondering
How it should been, now oh might've been
All this I know
But,still I can't find ways to let you go
(Chorus)

You'll always be the dream that fills my head
Yes you will,Say you will,You know you will oh baby
You'll always be the one I know I'll never forget
There's no use looking back,oh wondering
Because love is a strange and funny thing
No matter how hard I try and try
I just can't say good bye
no no no no
(Chorus)
