

# Think Of You - 1/1

**Interprété par Usher.**

Oh yeah  
Sh de da de dup dem de doo

All the time I think of you  
Holding on to someone new  
Don't make me lose my mind  
Seems like I been here before  
Baby I can't take no more  
Of you trying to play me out baby

I feel so strange thinking about you  
After all the wrong you've done to me  
I can't go on feeling like I do  
Cause my heart loves you  
I'm so confused

[Chorus]  
Don't waste my time  
Cause someone like me you'll never find  
I thought we had a good thing  
But I was wrong and now I must move on

To another love one that I can trust  
With my heart I know she'll never run away  
Just can't talk no more  
So I'm out the door  
Talk to me  
Why you wanna play love games

[Chorus]  
Don't waste my time  
Cause someone like me you'll never find  
I thought we had a good thing  
But I was wrong and now I must move on

[Bridge]

[Chorus]  
Don't waste my time  
Cause someone like me you'll never find  
I thought we had a good thing  
But I was wrong and now I must move on
