I'm In Heaven

I'm in heaven when you kiss me
show me how you miss me
take me with you back to wonderland

You captching me with the stair
I'd follow you anywhere
You leave me into tentation
Condition me to enjoy
I'm like a kid with a toy
I'm loosing my concentration

One kiss from you on my site
One touch is all I desire
One look from you take me higher

You know I couldn't resist
Yeah I miss
Every time I with you
Every time that we kiss

I'm in heaven when you kiss me
Heaven when you kiss me
You were send to me from wonderland
I'm in heaven when you kiss me
Heaven when you kiss me
You where send to me from wonderland
I go crazy when you kiss me
Show me how you miss me
Take me with you back to wonderland

You know I couldn't resist
Yeah I miss
Every time I'm with you
Every time that we kiss

I dream of you every night
It's like I'm loosing my mind
This feel is just getting stronger
My head is spinnin' around
You play with my but I'm bound
I can't resist every any higher

One kiss from you on my site
One touch is all I desire
