

## My Life - 1/1

## Interprété par Billy Joel.

Got a call from an old friend we'd used to be real close Said he couldn't go on the American way Closed the shop, sold the house, bought a ticket to the west coast Now he gives them a stand-up routine in L.A.

I don't need you to worry for me cause I'm allright I don't want you to tell me it's time to come home I don't care what you say anymore this is my life Go ahead with your own life leave me alone

I never said you had to offer me a second chance
I never said I was a victim of circumstance
I still belong
Don't get me wrong
And you can speak your mind
But not on my time

They will tell you you can't sleep alone in a strange place Then they'll tell you can't sleep with somebody else Ah but sooner or later you sleep in your own space Either way it's O.K. you wake up with yourself
