

Dear Diary - 1/2

Interprété par Pink.

Dear, dear diary

I wanna tell my secrets
'Cause you're the only one
That I know will keep them
Dear, dear diary
I wanna tell my secrets
I know you'll keep them
So this is what I've done

I've been a bad, bad girl
For so long
Don't know how to change
What went wrong
Daddy's little girl
But he went away
What did it teach me?
That love leaves yeah, yeah

Dear, dear diary
I wanna tell my secrets
'Cause you're the only one
That I know will keep them
Dear, dear diary
I wanna tell my secrets
I know you'll keep them
So this is what I've done

I've been down every road
You could o
I've made some bad choices
As you know
Seems like I got this whole world
Cradled in my hand
It's just like me not to understand, yeah

Dear, dear diary
I wanna tell my secrets
'Cause you're the only one
That I know will keep them
Dear, dear diary
I wanna tell my secrets
I've been a bad, bad girl

I learned my lessons young and
I turned myself around
I gotta guardian angel

Dear Diary - 2/2

Tattooed on my shoulder
She's been watchin' over me

Dear, dear diary
I wanna tell my secrets
'Cause you're the only one
That I know will keep them
Dear, dear diary
I wanna tell my secrets
I know you'll keep them
So this is what I've done (repeat)
