

I Know Where It's At - 1/2

Interprété par All Saints.

I know where it's at (I know where it's at)
I know where it's at (I know where it's at)
I know where it's at (I know where it's at)
I know (I know) I know
If you wanna have a good time (I know where it's at)
If you know you got something on your mind (I know where it's at)
If you know that you wanna get on down (I know where it's at)
Don't deny, don't be shy just come around

I've been watching you and I know you like to party baby
And you know that that sound really good to me (yeah)
Everybody wants to hang out at my party baby
Don't you know that is the only place to be (the only place to be yeah)
If you know that you want to get on down
No need to worry 'cos All Saints will be around
So if you're really kinda low well baby don't
'Cos I'll be here right by your side ready to flow
(I know where it's at)

Refrain :

If you wanna have a good time
(I know where it's at)
if you know you got something on you mind
(I know where it's at)
if you know that you wanna get on down
(I know where it's at)
don't deny, don't be shy just come around
(I know where it's at)

move around and get on down do what you wanna baby
you gotta be good, you gotta be good, and let it go
I know you've been waiting for my party baby
Everybody in the whole world wants to know
(Everybody wants to know)
'Cos to see that there's no one on the streets
'Cos everybody knows it's where they've got to be
(I know where it's at)

Refrain

One two four saints are in the house
We know where it's at ha ha ha
We know where it's at (ha ha ha)
Well if you know you like to party and you get on down
Let me tell you baby that you've come to the right town
Cos it's a party time you gotta get your groove on
I know you wanna dance from night 'till dawn

I Know Where It's At - 2/2

Babe you got goin' on I don't see nothin' wrong
You dance pretty hot and I know you like my song
So move it like that Rat-a-tat-tat
Now well comprend that you know where it's at
Just come around

Refrain
