

The Young And The Hopeless - 1/2

Interprété par Good Charlotte.

Hard days made me
Hard nights shaped me
I don't know they somehow saved me
And i know im making something out of this life they call nothing
i Take what i want
take what i need
you say it's wrong, but its right for me
I wont look down
Wont say im sorry
I know that only god can judge me

[Chorus]

And if i make it through today
Will tomorrow be the same
Am i just running in place
And if i stumble and i fall
Should i get up and carry on
Will it all just be the same
Cause im young and im hopeless
im lost and i know this
im going nowhere fast thats what they say
im troublesome i've fallen
im angry at my father
its me against this world and i dont care
i dont care

no one in this industry
understands the life i lead
when i sing about my past
its not a gimmick, not an act
These critics, and these trust fund kids
try to tell me what punk is
but when i see them on the street they got nothing to say

[Chorus]

And if i make it through today
Will tomorrow be the same
Am i just running in place
And if i stumble and i fall
Should i get up and carry on
Will it all just be the same
Cause im young and im hopeless
im lost and i know this
im going nowhere fast thats what they say
