

## At Least We Tried - 1/1

**Interprété par Moby.**

oh my baby, don't cry  
oh my babe, just say goodbye  
oh now baby, don't cry  
oh my babe, at least we tried

at least we tried to make it  
but in these days I'm so confused  
oh my love, at least we had it  
let me hold on to you

oh my baby, don't cry  
oh my babe, just say goodbye  
oh now baby, don't cry  
oh my babe, at least we tried

at least we tried but we lost it  
i will remember  
how you stood there and you smiling  
and you smile there with me

oh my baby, don't cry  
oh my babe, just say goodbye  
oh now baby, don't cry  
oh my babe, at least we tried

oh my baby, don't cry  
oh my babe, just say goodbye, say goodbye  
oh now baby, don't cry  
oh my babe, at least we tried, ohh  
oh my baby, don't cry  
oh my babe, just say goodbye  
goodbye my baby, don't cry  
oh my babe, at least we tried, whoa
