

## Ain't No Sunshine - 1/2

Interprété par Dmx.

It's dark and hell is hot

Ain't no sunshine when it's on  
Only darkness every day  
Ain't no sunshine when it's on  
Cuz when its on, ya niggaz gonna be gone  
Every time cuz we don't play

"Who turned out the lights?"  
Is what niggaz be sayin'  
Now you don't wanna fight  
But ya niggaz be playin'  
Thinkin' its alright keep playin with that road  
And you gonna know the night  
When you layin in that cold  
Dirt gettin' tossed in your grave  
Now it's all over  
Preacher said "You was brave"  
But now it's all over  
You just one of the many, plenty I done gave it to  
( ) Ain't no savin 'you  
No matter how many tears your moms' cried  
Ain't gon bring your ass back  
Plus in hell, you gon fry  
Why? But now the only 2 releative questions  
Is "Do we bury him or burn? Any suggestions?"  
Either way, you up out of here for good  
Now when niggaz mention you name  
They knockin' on wood  
Did I, get my, point across?  
Another body on the shotte  
Another joint I toss

[Chorus]

Ain't no sunshine when it's on  
Only darkness every day  
Ain't no sunshine when it's on  
Cuz when its on, ya niggaz gonna be gone  
Every time cuz we don't play [Repeat 4x]

There ain't no sunshine  
When the Dark Man comes out  
And I want mine  
So I plan to keep my gun out  
We got four 9's  
So niggaz run in and run out  
But I bust mine

## Ain't No Sunshine - 2/2

Cuz I'd like to hear some shots  
+Get At Me Dog+ niggaz know how its goin dizzy  
When it comes to that flow, I gets busy  
Who is he? Dark Man of the unknown  
(GRRR ARF) One dog, one bone  
Now who ain't goin home? Looks like you  
You hear strike 1, talkin' shit, strike 2  
Won't be a strike 3, cuz I don't play fair  
I'ma look you in your eye  
While he hit you from the rear  
Be like "Yeah, holdin' you up cuz you fallin'"  
The Lord ain't comin' till niggaz stop callin'  
You was ballin' a minute ago  
In it for dough  
Till it was "Yo, I swear to God, I didnt know"

[Chorus]

And I know, I know, I know, I know, I know  
Whatchu think you gon get  
Fuck around with my dough  
Just so it ain't no mistakes, this is my show  
One (one) two (two) three (three) here I go  
Your shit is quick and your shit is sleek  
But this shit is thick and when you hear this shit  
Damn right I can finish shit  
If you caught that verse without a rewind you can see mine  
But you be blind, i'll do it 360, come up from behind  
Tap you on the shoulder, have you turnin' around  
Hit you with somethin' that i'll have you burin' the ground  
Be like "Damn ain't nothin' left of money, but a pile of ash"  
Life is good, so please enjoy it, while it lasts  
Cuz you know ain't got much longer to go  
The quicker you go depends the stronger the flow  
When niggaz know I don't give a FUCK, right or wrong  
There ain't no sunshine when it's on

[Chorus]
